EDUCATION

BTech Bhopal, Madhya Pradesh Sept 2022 - 2026
VIT Bhopal University Expected May 2026
Major in Computer Science and Engineering
Cumulative GPA: 8.54 /10.00

12th Standard June 2020 – May 2022
Aims junior College Tirupathi, Andhra Pradesh
Maths, Physics, Chemistry
SSC Cumulative Percentage: 91%

KEY PROJECTS

RescueCall Safety Application - Machine learning project Dec 2024 - March 2025

- Conducted user research among urban commuters to identify key safety concerns and usability gaps.
- Designed and implemented a mobile application integrating machine learning and GPS for real-time distress alerts, reducing response time by 50%.
- Gathered simulated user feedback and iterated design for improved adoption, applying UX and behavioral analytics insights.
- Tech Stack: Python, Android Studio, MySQL/MongoDB, Machine Learning

AI-Driven Flight Operations Optimizer - Intelligent Scheduling and Delay Impact Modeling for Airport. May – July 2025

- Built predictive models analyzing airport congestion data to optimize flight schedules and minimize delays.
- Used data analytics and NLP to provide actionable insights for operations—paralleling marketing data segmentation.
- Translated data findings into visual insights for decision-making and efficiency benchmarking.
- Tech Stack: Python, Pandas, NLP, Tableau

Administrative Chatbot - Natural Language processing and LLM project April 2024 – May 2024

- Developed an NLP-based chatbot for university administrative queries, automating responses and improving engagement by 70%.
- Incorporated analytics dashboards to track interaction trends and user satisfaction metrics, similar to customer journey analytics in marketing.
- Enhanced information accessibility, aligning chatbot features with marketing personalization strategies.
- Tech Stack: Python, NLP, LLM, MySQL

SKILLS

Marketing & Analytical Skills:
Market Research | Consumer Insights | Data Interpretation | Survey Design | Marketing Analytics | Data Visualization | Go-to-Market Planning

Technical Skills:
Python | SQL | Machine Learning | Power BI / Tableau | NLP | Statistical Modeling

Soft Skills:
Analytical Thinking | Communication | Leadership | Team Collaboration | Multilingual (English, Hindi, Telugu)

EXTRACURRICULAR ACTIVITIES

- Committee Member, Sports Club, VIT Bhopal – Coordinated campus-wide events fostering engagement and teamwork.
- Participant in national hackathons and coding competitions, showcasing analytical and creative problem-solving skills.
- Research Publication: Authored a paper on drone usage in the mining industry for enhancing safety and productivity.

CERTIFICATION

- Oracle Data Science Professional – Applied data modeling and visualization for market insights.
- Google Digital Marketing & E-Commerce (Coursera) – Understanding consumer behavior, SEO, and campaign analytics.
- HubSpot Content Marketing Certification – Content strategy, audience targeting, and performance measurement.
- Finlatics Machine Learning Internship Training – Built ML-driven solutions for user-centric product positioning.
